Officer Biondo,

Wanted to thank you again for coordinating with DMV on this, it was a great idea and hopefully something we can do again in the future.

Also wanted to let you know I was at a homeless meeting at USC this week and heard Councilmember Price mention something that should be encouraging down the road at some point. He mentioned his office was looking for a storage facility for homeless individuals items in the 9th Council District.

I spoke with Nora his field deputy later in the day and I found out the process wasn't that far along, but it was something they will be pursuing.

PATH is ready to go tomorrow. Will you be at the DMV too?

The instructions from DMV are pretty clear on where to go and who to ask for.

Thanks.
